Elephant Notes: Hope you'll be able to make it to the WE on Sunday the 18th, for **Brett Watts' Songwriters in the Round** series. This is a great opportunity to hear the new work of experienced songwriters who try out new material on each other and the audience in a casual atmosphere. If you haven't been in, you're missing some good C&W music. • Speaking of good country music, we hope all you fans of **Bret Graham** from Stroud, Ok, noted he will be here with his band for two nights this month—Fri. & Sat., Aug. 23 & 24. • We're excited about **Britton Currie** who with his band will be making his first appearance at the WE on the 30th. He is from Louisiana and is a former background vocalist and fiddle player with Alan Jackson. He was the Louisiana State Grand Fiddle Champion in 1998 and has appeared on Austin City Limits, the Grand Ole Opry and the Tonight Show with Jay Leno. • The first hat to hang on the wall of the WE was an antique fire helmet donated by FW fireman **Phillip Millard**. Now we have another, the helmet of **Larry McMillen** who just retired as chief of the Fort Worth Fire Department. McMillen is a country music fan and good friend of the WE. • John & Becky Jackson's Art-Will-Break-Your-Heart concert series will be back upstairs at the White Elephant in Sep. after a summer hiatus. Coming up will be **Steve Young** & **Steven Fromholz** on Sep. 19 and **Ray Wylie Hubbard** on Oct. 24. Call them at 817-624-1887 or e-mail them at aweb@igga.net for tickets or information.
